RECORD OF BAPTISMS.

New-Dork:

PUBLISHED BY GEORGE LANE & LEVI SCOTT, 200 MULBERRY-STREET.

JOSEPH LONGKING, PRINTER.

1851.

This volume contains (1) a Record of Baptisms, and (2) a Record of Marriages.

1. The Record of Baptisms contains six columns. That on the extreme left contains the date of the baptism. In the second column the name of the baptized person is to be recorded; and if an infant, the name of its parents or natural guardians. The next column is for the date of the birth of the baptized person, which should always be recorded in the case of Infant Baptism. The next column is for the residence of the party baptized; the next for the name of the officiating minister; and the last, for the names of one or more witnesses. These last are sometimes important in legal questions, and it is well to insert them.

As Baptism is the rite of initiation into the Christian Church, this record should be carefully kept, that due care may be taken of the spiritual interests of the baptized persons.

2. The Record of Marriages contains six columns, the use of which can be readily learned by inspection. This Record also should be kept with great care.

CERTIFICATE OF THE BISHOPS.

After such examination as our brief time would allow, we hereby express our judgment that a series of uniform Church Records is of great importance, and that those shown to us by Dr. M'Clintock are such as the interests of the Church require.

We earnestly recommend them to the preachers and members of the Church, and hope they will be universally adopted.

The Discipline requires that the names of Probationers shall be kept separately from those of Members, and a volume is herewith furnished for the purpose. It is not necessary that the names should be recorded alphabetically.

The uses of the several columns can be seen at a glance.

RECORD FOR THE CLASSES SEVERALLY.

New-York:

PUBLISHED BY GEORGE LANE & LEVI SCOTT, 200 MULBERRY-STREET.

JOSEPH LONGKING, PRINTER.

1851.

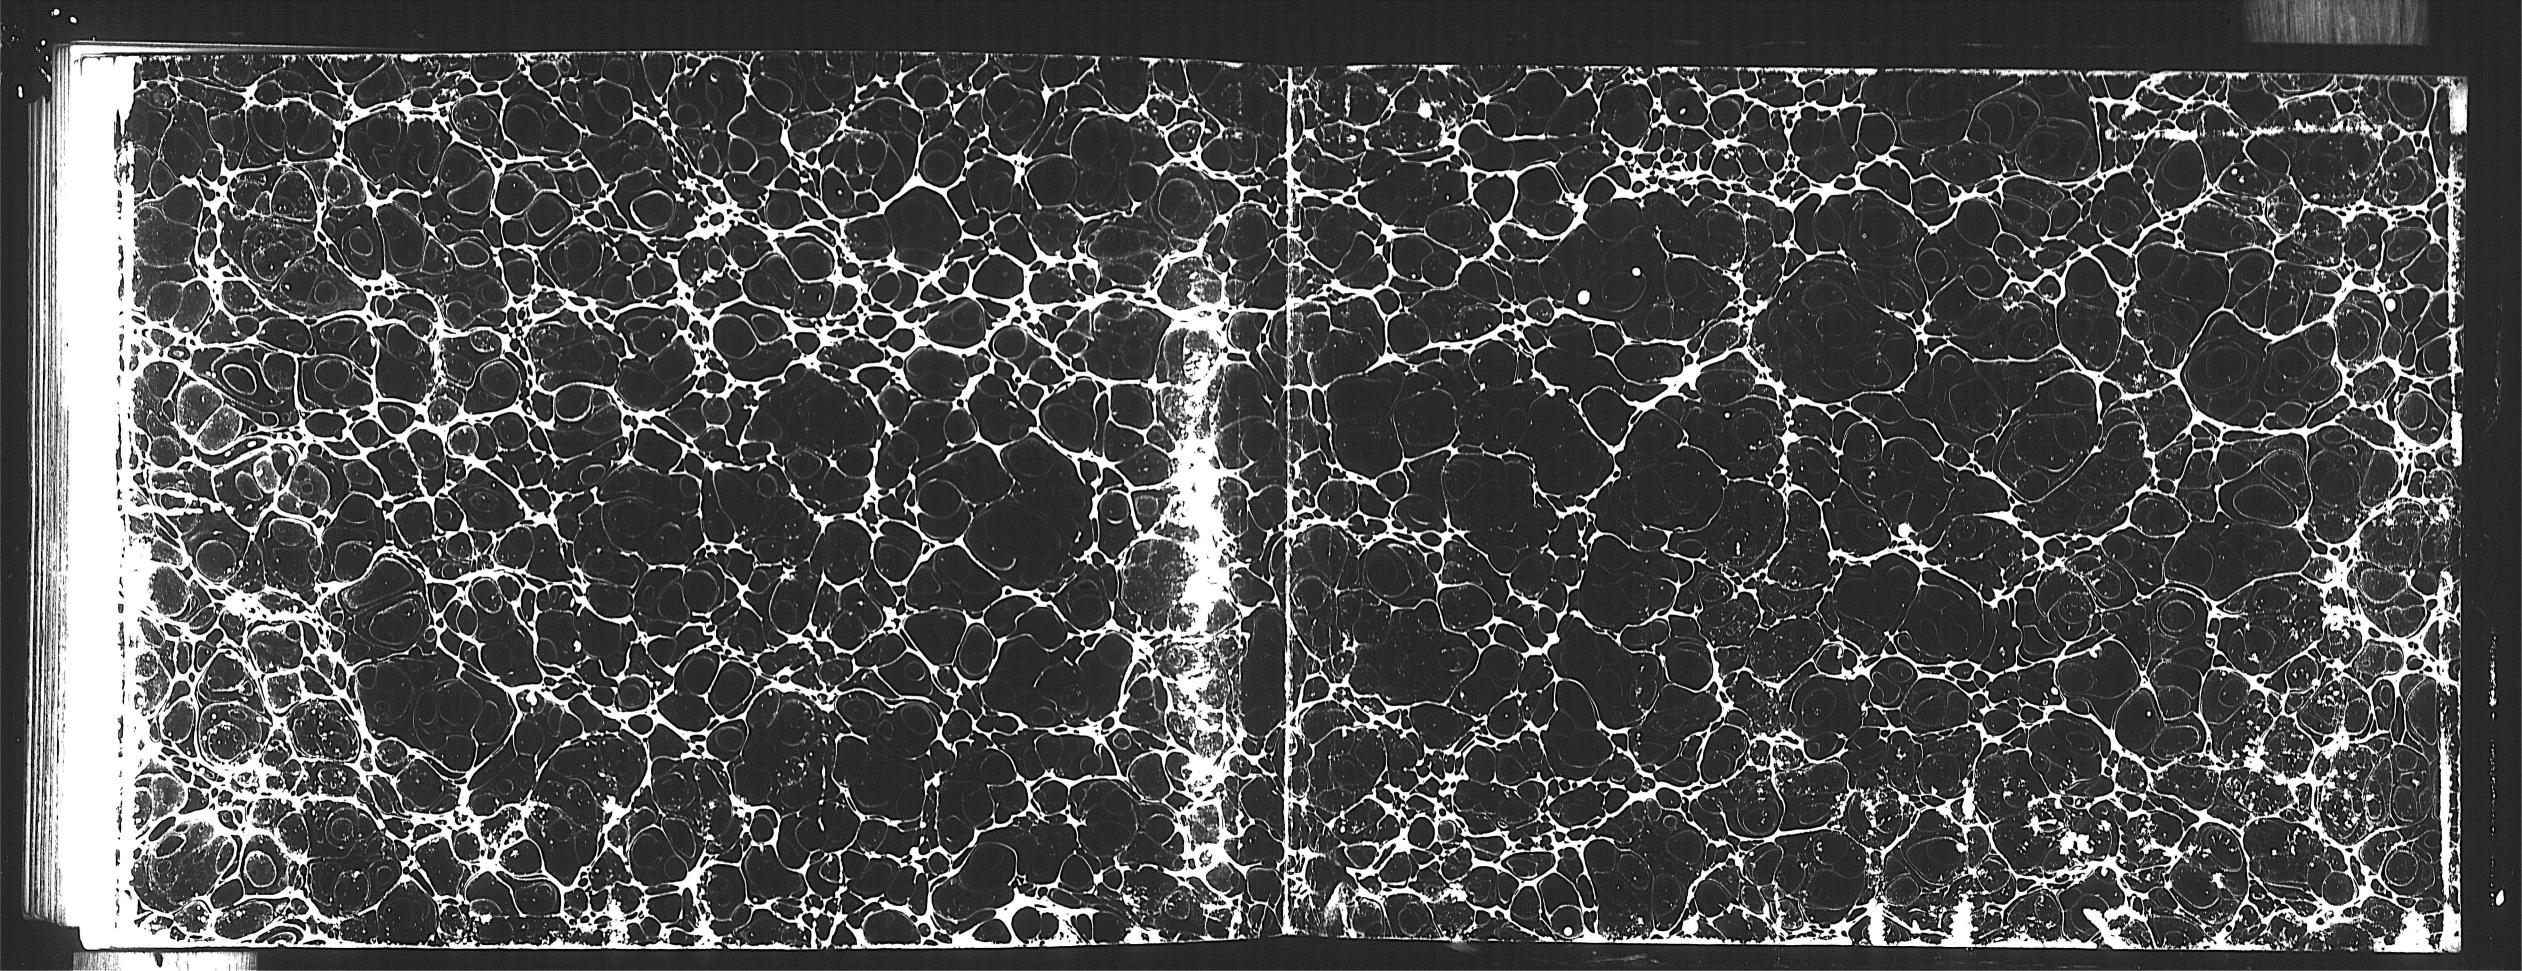

Besides the lists kept by the Leaders in their several Class-books, it is important, on many accounts, that a transcript of the class-lists should be in the hands of the Minister. A book is herewith furnished for the purpose. The lists should be rewritten from year to year.

CERTIFICATE OF THE BISHOPS.

After such examination as our brief time would allow, we hereby express our judgment that a series of uniform Church Records is of great importance, and that those shown to us by Dr. M'Clintock are such as the interests of the Church require.

We earnestly recommend them to the preachers and members of the Church, and hope they will be universally adopted.
